

FOURTH ANNUAL  
**foodndemand**<sup>®</sup>

CONFERENCE | NOVEMBER 10-12, 2021  
BELLAGIO HOTEL, LAS VEGAS

## + SAFETY PROTOCOL +

We want everyone to have a safe and productive conference. We will be following the current guidelines set forth by **Clark County** and the **Bellagio Hotel** and will update accordingly to their practices and protocols.

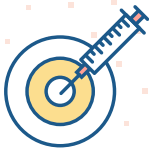

### **Personal Safety & Protection**

At this time, masks are required inside the Bellagio Hotel per Clark County guidelines and must be worn while indoors, whether you're vaccinated or not. In addition, hand sanitizer stations will be located throughout the Bellagio Hotel – including the conference space. Masks and personal hand sanitizer bottles will be provided at our FOD Registration desk.

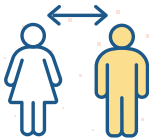

### **Mobile App and Touchless Hotel Check-In**

Eliminate contact by using the RFDC Mobile App for all things related to the conference. You may also use the MGM Resorts App to check-in at the Bellagio Hotel and use your digital room key right from your phone so you can avoid lines and limit contact with others. In addition, on-site badge printing at kiosks allow for quick and touchless check-in.

### **Prior to Arrival**

We expect all attendees to make their own risk assessment. We encourage all attendees to be vaccinated prior to arrival, however no proof of vaccination or negative Covid test will be required to attend.

### **Distancing & Crowd Volume**

Seating in the breakout rooms will allow for social distancing.

### **If You are Sick..**

If you are experiencing cold, fever or flu-like symptoms, please stay home and monitor your symptoms.
